**Member Absent:** Jackie Blumenthal (3B02)

**Police Report.** Captain Darren Haskis gave the police report. In the past 30 days, 17 property crimes were reported including one felony robbery, 3 thefts from auto, 10 thefts and 2 motor vehicle thefts. The Glover Park Market was robbed on Thanksgiving Day. MPD is investigating but does not have good video of the suspect.

**Old Business:**

- **3300 Whitehaven Development.** A vote on the development of 3300 Whitehaven was tabled in November to revise the Planned Unit Development (PUD) benefits to include support for Stoddert Elementary, as it will be the in-boundary school for residents of the new development. The project will convert an unused office building into 230+ apartments. The project is in ANC 2E but abuts ANC 3B in the middle of Whitehaven Street. The group has asked for ANC 3B's support. Eddie Mansius from the Grosvenor Group summarized his presentation from November. Several parents expressed concerns about the construction and the disruption to the British School located at 2001 Wisconsin Avenue, next to the building proposed for redevelopment. Mr. Mansius agreed to work more closely with the parents and the British School to minimize disruption. A motion was made to approve the PUD plan. It passed 4-1 with Commissioner Carroll voting against (Commissioner Blumenthal was unable to attend the meeting).

**New Business:**

- **DDOT Plans to Install Speed Humps on the 4000 Block of Davis Place.** DDOT plans to install three speed humps on the 4000 block of Davis Place behind Stoddert Elementary School. Commissioner Lane introduced a resolution requesting that DDOT analyze the entire two-block area surrounding Stoddert School and develop a comprehensive plan to address all safety concerns rather than focusing on a small one-block area behind the school. A motion was made to approve the resolution and it passed unanimously.
