3. SMD Reports:
 - **(3C01) Commissioner Gise:** A) My colleagues and I had the honor of taking our oath of office on January 2. Commissioners including myself have begun to set up introductory meetings with community organizations and with the liaisons of various District agencies to the ANC. B) DDOT has agreed to move forward with plans to add barriers to the Taft bridge. This has come after immense grief and the tragic loss of life of members of our community. I'd like to formally thank Dr. Chelsea Van Thof and other advocates, including Chairwoman Pagats for using their voices to get this done. In the months ahead, I am sure we will be speaking with representatives of DDOT to see that these plans can be implemented safely and with the necessary experience that is demanded of this project. C) The Department of Consumer and Regulatory Affairs has sent over a list of Building Permits for 3C01 in January that have been issued and accepted. D) The Woodley Park Community Association held a lovely happy hour event on January 9th at Time and Thai again. It was a good time and a warm welcome to Time and Thai again into the community. E) If you're a member of the community and you need my help on anything, please reach me at my DC government email, 3C01@anc.dc.gov, or you can reach me by phone at 202-495-0724. F) The annual Rock n' Roll Half-Marathon is poised to take place on March 18th. Like in previous years, the course will run through Calvert Street from Shoreham Drive, and move eastbound across the Duke Ellington bridge. We will have a resolution addressed to the Mayor's Special Events Task Group in order to help the group secure the necessary permits at next month's meeting.
