The Office of Advisory Neighborhood Commissions (OANC) received 4D's 4th quarter FY 2023 financial report and the minutes approving the QFR. The OANC still needs the supporting documents for checks 2287 - 2295. The ANC issued a grant with check 2296, Green Spaces, for \$2,000.00. The ANC must provide the grant application, the minutes approving the grant, the grant close-out report prepared by the grantee, and proof of payment for purchases made with grant funds. The report and all supporting documentation, which were due November 15, 2023, are required by D.C. Official Code, Section 1-309.13 (j) (1).

**Therefore, the OANC recommends releasing \$1,085.83 of ANC4D's 2nd quarter FY 2024 allotment and withholding \$4,211.73 for violating the above-referenced code.**

*The code requires that: The treasurer of a Commission shall prepare a quarterly financial report on a form provided by the OANC. The financial report shall be presented to the Commission for its consideration at a Commission meeting within 45 days after the end of the quarter. A copy of the approved financial report, signed by the Chairperson, the secretary, and the treasurer, shall be filed, along with a record of the vote adopting the report, with the OANC within 15 days of approval. Each quarterly report shall include copies of canceled checks, bank statements, grant request letters and grant disbursements, invoices and receipts, executed contracts, details about all contributions received during the time period covered by the quarterly report, the minutes of all meetings indicating the Commission's approval of disbursements during the time period covered by the quarterly report, and certification of the Commission's approval of the quarterly report signed by the Commission's Secretary.*

**The ANC may cure this violation by submitting the required documents before September 9, 2024.**

After this partial allotment is released, 4D's FY 2024 allotment balance will be \$14,806.86.
