1. Approval of Past Minutes

Motion by C. Brown

2nd motion by C. Richardson

Vote 5-0

2. Review Treasurer's Report

C. Brown has given the update that we are now able to have access of our check book. 2nd check was written for rent for office. Will make 3rd try to make rent payment. Payment for rent for February-May \$2056 which includes late fees. C. Brown is exploring two ideas the first is to forward fund the rent payment instead of paying on a monthly basis. C. Brown prefers to pay the rent for the year. Option to forward fund would give ANC7C new treasurer to ensure the rent is paid when it is a possible transition during a election year. Wants to explore if Industrial Bank truly meets are needs as a financial institution to serve our needs as a commission.

3. BZA 20889 – Hearing Postponement

4. BZA 20894 – Cornell Stone

A. Green wants to postpone to Wants to convert a one story garage into a 2 story gymnasium. Green said it would go beyond the maximum height. Also, tearing down the garage and adding a parking space and would require a zoning variance.

7:20PM MPD | Public Safety Update | Officer Medina

In comparison to the last 30 days there was a 3% drop. But ANC7C is still being targeted for property crime but it is on rise nationwide. MPD is taking a proactive approach to address property crime. MPD is trying to focus more on the elderly community regarding property crime, theft of autos and theft period. MPD is still providing wheel locks. Still have 46 more wheel locks at 6D for the public. A. Green asked about the Division av shooting if there was any updates. A. Green also asked if there was any updates regarding the shooting of the 4900 block of Just St NE. C. Brown wants to know how to get nuisance and abatement of the 4100 block of Gault PI NE.

7:30PM DMPED | Capitol Gateway Marketplace Update | Whit Smith

Working with DGS to address on going maintenance. Installed barriers to prevent more illegal dumping. Going through eminent domain case. Continuing to negotiate with a grocery operator but cannot not share any more information due to legal logistics but conversations are still taking place. Looking to change the zoning so it will allow for development of grocery store. Proposed map ammendment from RA3- RA-1 to MU7B.

7:50PM DCPS | School Updates | Sharona Robinson

Rachel Kimiko Riverseed PCS-comment

We did get good news from the DME and OSSE this morning that they have identified a process for making direct payments -- which in turn will be direct payments to teachers -- to support a retroactive increase for SY22-23 and a split payment of "look forward" increase for SY23-24

Rachel Kimiko- We did door-to-door outreach to the neighborhood in the months before and after our location approval. As well, we mailed and hand-delivered notifications to the community before we started construction AND invited neighbors to come learn about the proposed construction after we closed on the purchase (again, before we started any work).

Felicia Bartley- Riverside PCS did not engage the community prior to the Riverside PCS being built

8:20PM Mayor's Office Representative | Lawrence Davin

Chief Contee is leaving to take a job with the FBI. Davin informed the community about the composting pilot program. <https://zerowaste.dc.gov/>
