Seven new Commissioners joined Advisory Neighborhood Commission 4B in January, providing new opportunities for collaboration among Commissioners and improved Commission functionality. The Commission elected its Officers in January: ANC 4B04 Commissioner Brenda Parks serves as Chair; ANC 4B08 Commissioner Alison Brooks serves as Vice Chair; ANC 4B07 Commissioner Geoff Bromaghim serves as Treasurer; and ANC 4B02 Commissioner Erin Palmer serves as Secretary. In addition, the Commission appointed ANC 4B07 Commissioner Geoff Bromaghim as its representative to the Walter Reed Community Advisory Committee, and ANC 4B01 Commissioner Evan Yeats as its representative to the Walter Reed Foreign Missions Committee. The Commission also approved its participation in the 2019 Advisory Neighborhood Commission Security Fund at its January 28, 2019, meeting. *See DC Code § 1-309.14(b)* (“Each Advisory Neighborhood Commission may become a participant of the Fund upon payment to the Fund of an annual contribution at the beginning of the fiscal year in an amount to be determined by the Trustees.”).

The Commission held nine regular monthly meetings in 2019, as well as nine monthly planning meetings. Each regular public meeting included standing presentations from the Commission’s Treasurer, as well as from representatives from the Metropolitan Police Department’s 4th District, the Office of Ward 4 Councilmember Brandon T. Todd, the Mayor’s Office of Community Relations and Services, and the Ward 4 Representative to the State Board of Education, as well as additional presentations from DC government agencies, community groups, and others. Each regular public meeting also included time for community concerns. *See DC Code § 1-309.11(b)(3)* (“Each Commission shall set aside a portion of each public meeting to hear the views of residents within the Commission area and other affected persons on problems or issues of concern within the Commission area and on proposed District government actions that affect the Commission area. Community views shall be adequately considered in positions taken by the Commission.”).

In addition, ANC 4B Commissioners engaged in numerous activities within their Single Member Districts designed to engage and inform residents. These include the following:

Single Member District 4B01:

Commissioner Yeats distributes a bimonthly electronic newsletter and holds regular office hours. He also regularly attends citizens, condominium, and tenant association meetings within his Single Member District. He has coordinated and worked with citizens and community groups on additional neighborhood mobilization, specifically around the area of traffic, pedestrian, and bicyclist safety. Commissioner Yeats has been active around issues of policing in our neighborhoods, particularly with regards to cross-border emergency response and interactions with historically disadvantaged communities. He has also worked in support of resources and safety for our neighborhood schools and on District-wide issues around student transportation and environmental safety.

Single Member District 4B02:

Commissioner Palmer serves as the Commission's Secretary, maintaining and ensuring distribution of Commission agendas and minutes. Commissioner Palmer holds monthly office hours, distributes a monthly electronic newsletter, and regularly knocks on doors in her Single Member District. She has held special meetings regarding the DC budget process and engaging youth in local politics, as well as walk throughs to address stormwater maintenance (District Department of Energy and Environment) and with one of the Ward 4 representatives of the Mayor's Office of Community Relations and Services. Commissioner Palmer regularly testifies before the DC Council and government agencies on matters of relevance to the Commission area. Commissioner Palmer and Commissioner Yeats participate in the Adopt-a-Block program (Mayor's Office of the Clean City), holding quarterly community cleanups in Takoma.

Single Member District 4B03:

Commissioner Knickerbocker and Commissioner Yeats worked together to address dangerous semi/tractor trailer parking on the 6500 block of Piney Branch Road, NW, resulting in planned "No Commercial Parking" signs to be added. Commissioner Knickerbocker reported multiple instances of broken street lights, potholes, roadway signs missing or in disrepair, littering issues, and dead trees. He supported permit applications for extended construction hours at Calvin Coolidge High School to meet the aggressive modernization schedule. He participated in the Rock Creek East I Livability Study. He facilitated communication between constituents and city agencies to address issues (such as loud cooling equipment at Calvin Coolidge High School). In addition, Commissioner Knickerbocker generated District Department of Parks and Recreation permit support letters for ANC 4B.

ACTIVITIES

ADVISORY NEIGHBORHOOD COMMISSION 4B Government of the District of Columbia

Single Member District 4B07:

Commissioner Bromaghim serves as the Commission's Treasurer, developing the Commission's Annual Budget and preparing Quarterly Financial Reports. He is also the Commission's representative to the Walter Reed Community Advisory Committee. He regularly participates in various neighborhood meetings. He organized six (6) Single Member District community meetings in 2019 to meet with constituents and share information about matters before the Commission. The most consuming issues for Single Member District 4B07 include coordinating input on multiple proposed developments, addressing concerns surrounding a planned migrant children detention facility, and responding to public safety issues.

Single Member District 4B08:

Commissioner Brooks serves as the Commission's Vice Chair, providing assistance to the Commission's Chair and serving as Chair in Commissioner Parks' absence. Commissioner Brooks distributes a bimonthly newsletter and holds regular office hours. She also regularly attends all community association meetings within her Single Member District. Commissioner Brooks has worked on public safety issues, holding public safety meetings with residents and business owners to work on the reduction of violent crime on the Kennedy Street, NW, Corridor. In an effort to work toward the city's Vision Zero goal, she has collaborated with the District Department of Transportation to reduce the number of traffic accidents at the intersection of North Capitol and Longfellow Streets, NW, and she has participated in the Rock Creek East I Livability Study to assess traffic issues throughout her Single Member District. She has held regular neighborhood walk throughs, continuing to meet neighbors, identify issues, and work toward resolution.

Single Member District 4B09:

Commissioner Huff holds monthly Single Member District meetings with DC government agencies and community members to enhance and improve the neighborhood. She has held meetings focused on public safety, including a meeting with Ward 4 Councilmember Brandon T. Todd, the Deputy Mayor of Public Safety, and the Metropolitan Police Department, as well as meetings with area businesses, such as Walmart. She has co-hosted several community events, including the Senior Spa Zone at Riggs-LaSalle Recreation Center, the Riggs Park / Michigan Park Annual Reunion Cookout at Fort Circle Park, a Halloween Party at Riggs-LaSalle Recreation Center, and Thanksgiving for the Community at Culture Coffee Too. Commissioner Huff has assisted residents replacing damaged property following a shooting; facing displacement due to a residential fire; seeking access to public recreation areas, including through maintenance and accessibility measures; addressing vacant and blighted properties; increasing lighting in public areas; removing trees and tree stumps; replacing curbs and sidewalks; abating rodents and rats; and securing residential parking. Key issues within Single Member District 4B09 include public safety, maintenance and accessibility of recreation centers, and support for seniors.

The Commission has addressed several important issues, primarily via Resolution or other formal Commission action. Commissioners have also responded to issues individually. These Resolutions, official action, and individual efforts can be grouped into six general subject areas:

1. housing and basic needs;
2. infrastructure;
3. public facilities;
4. historic preservation;
5. public safety; and
6. government accountability.

In addition, the Commission has addressed routine matters, including those related to zoning, alcohol licenses, and historic preservation review, which are not listed here but are available on the Advisory Neighborhood Commission Resolution Portal at resolutions.anc.dc.gov.

2

Housing & Basic Needs:

Advisory Neighborhood Commission 4B believes housing is a human right. The Commission has sought at every opportunity to support and promote safe, stable, and secure housing for all District residents, including through funding to end chronic homelessness; funding, preservation, and expansion of public housing; expansion and improvement of rent control; and oversight and accountability of agencies like the District Department of Consumer and Regulatory Affairs. The Commission believes in doing our fair share regarding deeply affordable housing within our Commission boundaries. In addition, the Commission supports efforts to address basic needs, including as related to childcare and early childhood education.

In furtherance of the Commission's goals of pursuing deeply affordable housing and ensuring basic needs of District residents, the Commission has acted in the following ways:

- **Resolution 4B-19-0307**, Supporting Funding in FY2020 Budget to Address Chronic Homelessness (March 25, 2019).
- **Resolution 4B-19-1004**, Calling on DC Housing Authority to Preserve Public Housing and Protect Public Housing Residents (October 28, 2019).

- **Resolution 4B-19-0404**, Supporting Full Funding of Birth-to-Three for All DC Act of 2018 (April 22, 2019).

KEY ISSUES

ADVISORY NEIGHBORHOOD COMMISSION 4B Government of the District of Columbia

2

Infrastructure:

Advisory Neighborhood Commission 4B seeks to ensure safe, accessible, and affordable transportation for all District residents, regardless of mode. The Commission supports Mayor Muriel Bowser's Vision Zero efforts to ensure zero fatalities and serious injuries to users of our transportation system. The Commission regularly pursues infrastructure and traffic calming efforts to promote safety of Commission residents, but unfortunately the District Department of Transportation is often unresponsive and fails to act. This includes failure to act on proposed infrastructure projects and failure to respond to requests for traffic calming (including via traffic safety assessments). Due to this inaction, the Commission has resorted to passing resolutions related to basic traffic calming measures.

In furtherance of the Commission's goals of enhanced support for multimodal networks, increased and improved Metrorail and Metrobus service, safer and improved pedestrian and bicycle infrastructure, and traffic calming, the Commission has acted in the following ways:

- **Resolution 4B-19-0408**, Supporting Transportation Benefits Equity Amendment Act of 2019 (April 22, 2019).
- **Resolution 4B-19-0304**, Supporting Increased Metrorail Service to Takoma and Fort Totten Stations (March 25, 2019).

KEY ISSUES

ADVISORY NEIGHBORHOOD COMMISSION 4B
Government of the District of Columbia

2

Public Facilities:

Advisory Neighborhood Commission 4B believes safe, accessible, and well-maintained public facilities are essential to our community. Public spaces, such as recreation centers, serve as critical hubs for fun and neighborhood interaction, senior engagement, and they are safe zones for children and teens to play and grow. Yet, the Commission has seen persistent deterioration and lack of maintenance of recreation centers. In addition, schools within the Commission's boundaries have suffered persistent problems with leaking roofs, non-functioning HVAC systems, deteriorated outdoor play areas, and other issues that have disrupted day-to-day operations and, in some instances, limited individuals with disabilities from teaching at or attending the school. Poured-in-place playground surfacing at one school within the Commission's boundaries has raised concerns about lead levels in the surfacing at that school and throughout the District.

In furtherance of the Commission's goals of ensuring our community's public spaces are publicly serving and publicly accessible, the Commission has acted in the following ways:

- **Letter of Inquiry Concerning ANC 4B Recreation Centers** (June 24, 2019) (calling for response to concerns regarding safety and maintenance issues at recreation centers in ANC 4B).
- ANC 4B01 Commissioner Evan Yeats, ANC 4B02 Commissioner Erin Palmer, ANC 4B03 Commissioner Scot Knickerbocker, and ANC 4B07 Commissioner Geoff Bromaghim held a walk through of the Takoma Community Center and the Takoma Aquatic Center with one of the Ward 4 representatives from the Mayor's Office of Community Relations and Services and a representative from Ward 4 Councilmember Brandon T. Todd's office to seek solutions to specific problems at that facility.
- **Resolution 4B-19-0907**, Supporting Cessation of Imminent Action by Urban Farming Land Lease Program in Lot 69 Located in Brightwood Park (September 23, 2019).
- **Resolution 4B-19-1002**, Calling for Accelerated Modernization of Whittier Education Campus (October 28, 2019).

KEY ISSUES

ADVISORY NEIGHBORHOOD COMMISSION 4B
Government of the District of Columbia

2

- ANC 4B01 Commissioner Evan Yeats and ANC 4B02 Commissioner Erin Palmer communicated persistently with the District's Department of General Services and other agency representatives regarding lead testing and elevated lead levels in poured-in-place surfaces at schools throughout the District, including Takoma Education Campus. Commissioner Palmer testified at a Roundtable convened by At-Large Councilmember Robert White, who serves as Chair of the DC Council's Committee on Facilities and Procurement, regarding the Department's lack of a defined standard for determining safety with regard to the presence of lead in these materials.
- **Resolution 4B-19-0401**, Supporting the Capital City Public Charter School Edible Forest Garden (April 22, 2019).
- **Resolution 4B-19-0301**, Supporting University of the District of Columbia, Equity Imperative Plan and First Choice Initiative (March 25, 2019).

KEY ISSUES

ADVISORY NEIGHBORHOOD COMMISSION 4B
Government of the District of Columbia

2

Historic Preservation:

Advisory Neighborhood Commission 4B has addressed several issues related to the Takoma Park and Walter Reed Historic Districts. Portions of Single Member Districts 4B01, 4B02, and 4B07 are within the Takoma Park Historic District, and the Walter Reed Historic District is adjacent to the Commission area. The Commission has sought to encourage development within the Historic Districts that is compatible with historic preservation while also increasing the supply of housing and maximizing affordable housing and family-sized units. The Commission is deeply committed to all efforts to promote the use of solar panels to help prevent climate crisis, but it has faced challenges in its efforts to support visible solar panel applications due to arbitrary and capricious standards applied by the Historic Preservation Review Board. In addition, residents have expressed concern with the costs associated with living in a Historic District, including the lack of grant programs for condominiums and apartment buildings within Historic Districts.

In furtherance of the Commission's goals of supporting more affordable housing, protecting the environment, and providing financial supports for residents who must comply with Historic District standards, the Commission has acted in the following ways:

- **Resolution 4B-19-0903**, Supporting Adoption of 21st Century Guidance for Installing Solar in Historic Districts (September 23, 2019).
- **Resolution 4B-19-0601**, Supporting Installation of Roof Solar Panels at 6824 5th Street, NW, H.P.A. No. 19-439 (June 24, 2019).
- **Resolution 4B-19-0104**, Supporting Installation of Roof Solar Panels at 500 Dahlia Street N.W., HPA 19-123 (January 28, 2019).
- Advisory Neighborhood Commission 4B welcomed a presentation from Solar for All at its February 25, 2019, meeting.
- **Resolution 4B-19-1001**, Supporting the Concept Design of the Arts Plaza, Dog Park & Building 82 and 90 Improvements, as well as the Playground at Main Drive Entrance, at the Parks at Walter Reed (October 28, 2019).
- **Resolution 4B-19-0606**, Supporting Proposed Design for 218 Cedar Street NW (June 24, 2019).

- **Resolution 4B-19-0405**, Supporting Zoning Exception for Walter Reed Building IJ (April 22, 2019).

- **Resolution 4B-19-0605**, Supporting Proposed Design for The Parks at Walter Reed Building P (June 24, 2019).
- **Resolution 4B-19-0406**, Supporting Razing of Buildings 31 & 84 at the Parks at Walter Reed and Widening of Aspen Street, NW (April 22, 2019). In addition to this Resolution and testimony to the Historic Preservation Review Board, ANC 4B01 Commissioner Evan Yeats and ANC 4B02 Commissioner Erin Palmer testified before the Mayor's Agent at the hearing on the raze permits for these buildings.
- Advisory Neighborhood Commission 4B previously supported deeply affordable housing, including via permanent supportive housing, at 410 Cedar Street, NW, 218 Vine Street, NW, and Abrams Hall Assisted Living at Walter Reed, all of which are located within Historic Districts.

KEY ISSUES

ADVISORY NEIGHBORHOOD COMMISSION 4B
Government of the District of Columbia

2

Public Safety:

Advisory Neighborhood Commission 4B recognizes the importance of community support and a holistic approach to public safety. Affordable housing, quality public education, health care services (including mental health), and recreation and programming opportunities are some of the mechanisms that ensure safe and stable communities. The Commission has sought assurances that law enforcement will protect vulnerable populations, including youth, members of the LGBTQ community, and people of color, and the Commission has questioned the United States Attorney for the District of Columbia's approach in prosecuting crimes when faced with protecting these communities. The Commission has also sought to ensure coordination and information sharing across jurisdictions (e.g., the District's Metropolitan Police Department and the Takoma Park Police), as well as informed the community regarding police complaint procedures and advocated for more accountability and better reporting procedures.

In furtherance of the Commission's goals of a holistic approach to public safety and protection of vulnerable communities, the Commission has acted in the following ways:

- **Resolution 4B-19-0908**, Supporting Second Look Amendment Act of 2019 (B23-0127) (September 23, 2019).
- **Resolution 4B-19-0406**, Reaffirming Our Community's Commitment to Inclusion and Calling for Increased Action to Address Hate Crimes in the District (October 28, 2019).
- Advisory Neighborhood Commission 4B welcomed a presentation from residents and Metropolitan Police Department representatives at its May 20, 2019, meeting, regarding a citizen-police incident on May 6, 2019, at 7th and Longfellow Streets, NW.
- Advisory Neighborhood Commission 4B welcomed a presentation from the Office of Police Complaints at its May 20, 2019, meeting regarding its jurisdiction and procedures for filing complaints.

KEY ISSUES

Government of the District of Columbia

2

- Advisory Neighborhood Commission 4B welcomed a presentation from the Metro Transit Police at its September 23, 2019, meeting to discuss policies as related to transit police interactions with youth, particularly youth of color. ANC 4B06 Commissioner Tiffani Johnson requested the presentation following a letter from Commissioner Johnson, ANC 4B01 Commissioner Yeats, and ANC 4B02 Commissioner Palmer regarding an incident involving a juvenile and Metro Transit Police at the Fort Totten Metro Station.
- **Letters of Inquiry to MPD and the City of Takoma Park, MD**, (regarding Takoma Park Police dog attack of Advisory Neighborhood Commission 4B resident) (January 28, 2019).
- **Letter of Inquiry Concerning ANC 4B Recreation Centers**, (June 25, 2019) (calling for response to concerns regarding safety and maintenance issues at recreation centers in ANC 4B).
- Advisory Neighborhood Commission 4B welcomed presentations from representatives of the Metropolitan Police Department's 4th District at its monthly regular public meetings.

KEY ISSUES

ADVISORY NEIGHBORHOOD COMMISSION 4B
Government of the District of Columbia

2

Government Accountability:

Advisory Neighborhood Commission 4B believes ethical, transparent, and accountable government at all levels is essential to a healthy democracy. The Commission has pursued several good government initiatives related to federal government operations within the District, as well as DC Council, DC government agency, and Advisory Neighborhood Commission operations.

In furtherance of the Commission's goals of ethical, transparent, and accountable government, the Commission has acted in the following ways:

- **Letter to Douglas Development**, (September 23, 2019) (strongly opposing planned detention center for unaccompanied migrant children at 6896 Laurel Street, NW).
- **Resolution 4B-19-0308**, Supporting Reprimand and Calling for Removal of Committee Status, and Investigation and Possible Sanction of Councilmember Jack Evans (March 25, 2019).
- ANC 4B01 Commissioner Evan Yeats, ANC 4B02 Commissioner Erin Palmer, and ANC 4B06 Commissioner Tiffani Johnson were signatories to a letter requesting information regarding the Washington Metropolitan Area Transit Authority ethics investigation of Ward 2 Councilmember Jack Evans and another letter requesting information on the status of the DC Council's ethics investigation of Councilmember Evans.
- **Resolution 4B-19-0507**, Encouraging Candidates to Participate in Public Financing of Elections (Fair Elections) (May 20, 2019).
- **Letter of Inquiry to CFO Jeffrey DeWitt**, (April 22, 2019) (requesting Chief Financial Officer to track sexual harassment and assault settlements involving DC agency employees).
- **Resolution 4B-19-0403**, Supporting Implicit and Unconscious Bias Training and Diversity, Equity, & Inclusion Initiatives for Advisory Neighborhood Commissions (April 22, 2019).

The Commission's calendar year 2019 regular public meeting agendas and minutes, which reflect the full scope of the Commission's work during that time, are attached to this Report as Appendix 1.

OPERATIONS

ADVISORY NEIGHBORHOOD COMMISSION 4B Government of the District of Columbia

3

Advisory Neighborhood Commission 4B has faced persistent challenges regarding its institutional operations. The current Commission started calendar year 2019 insolvent, requiring the Commission to close out its office space and preventing the Commission from hiring an administrative assistant when the Commission's staff retired early in 2019. The current Commission, especially its Officers, have spent significant time institutionalizing the Commission's procedures to allow for timely and efficient operations.

Advisory Neighborhood Commission 4B formally advocated for administrative support and infrastructure for Advisory Neighborhood Commissions via a [Letter](#) to At-Large Councilmember Robert White, who serves as Chair of the DC Council's Committee on Facilities and Procurement. *See also* [Resolution 4B-19-0403](#), Supporting Implicit and Unconscious Bias Training and Diversity, Equity, & Inclusion Initiatives for Advisory Neighborhood Commissions (April 22, 2019). In this Letter, the Commission noted that "more centralized administrative support and infrastructure would allow the Commission to better satisfy its functions and ensure consistently efficient, effective, and responsive Commissions across the city." The Commission requested consideration of centralized technology services, website services, sign language and transcription services, translation services, District-owned or leased office space, basic office services, childcare services, and legal and expert services.

3

The Commission's Chair, Vice Chair, and Secretary participated in Councilmember White's Roundtable regarding Advisory Neighborhood Commissions to highlight the Commission's operational challenges and emphasize the need for centralized supports.

Despite these challenges, the Commission has persevered and made notable improvements, including launching a new website that includes details regarding the Commission's public meetings, agendas and minutes, financial documents, and more. Notably, the new website is wholly owned and operated by current Commissioners and does not rely on the work of third parties to share information with the public. As noted below, the Commission is entering Fiscal Year 2020 financially healthy and fully current on its reporting obligations, and is working toward hiring an administrative assistant and offering grants to support the community. The Commission believes renting private office space is not possible given the Commission's Budget and that District-owned or leased office space is necessary and essential to further the Commission's work. To that end, the Commission has continued to pursue District-owned office space or the reprogramming of funds as authorized under [Resolution 4B-18-1101](#) and DC Code § 1-309.13(q). Unfortunately, the District government has not met its obligation under that provision and has not provided the Commission with office space or reprogrammed funds.

As the Commission continues to expand upon and improve its procedures, it is working to revise its Rules of Procedure, in part to facilitate the formation of committees to assist with the Commission's work. The Commission previously used committees, but committee operations were suspended due to ongoing conflict over the role and influence of committees on the work of the Commission.

ADVISORY NEIGHBORHOOD COMMISSION 4B Government of the District of Columbia

ANC 4B is entering Fiscal Year 2020 financially healthy and fully current on its reporting obligations. The Commission started calendar year 2019 insolvent, due in part to being delinquent in approving and reporting its Quarterly Financial Reports from the third and fourth quarters of Fiscal Year 2018, as well as the first quarter of Fiscal Year 2019. ANC 4B's staff resigned early in 2019, which complicated the Commission's efforts to resolve its prior-year recordkeeping challenges.

The Commission nevertheless has filed all outstanding Quarterly Financial Reports (approving its Quarterly Financial Reports for the Fourth Quarter of 2018, the First Quarter of 2019, and the Second Quarter of 2019 at the Commission's May 20, 2019, meeting) and is in compliance with its financial recordkeeping obligations (approving its Quarterly Financial Report for the Third Quarter of 2019 at the Commission's September 23, 2019, meeting and its Quarterly Financial Report for the Fourth Quarter of 2019 at the Commission's October 28, 2019, meeting).

The Commission approved its Fiscal Year 2020 Budget at its October 28, 2019, meeting. The Budget includes funding for an administrative assistant, office needs (including printing), and four \$500 grants. The Commission did not award grants during the preceding Fiscal Year due in part to its insolvent status at that time.

The Commission's Fiscal Year 2019 Quarterly Financial Reports are attached to this Report as Appendix 2, and its Fiscal Year 2020 Budget is attached to this Report as Appendix 3. Also, in an effort to improve transparency, all financial documents relating to the Commission are now available on the Commission's website.
