### MPD Community Report

#### DC Water Notice on Planned Assessment of Sanitary Sewer Infrastructure in Glover Archbold Park

Representatives of DC Water will make a brief presentation on plans for DC Water's contractors to conduct field investigations, surveys, and routine inspections of the sanitary sewer and "manholes" in Glover Archbold Park through March 2026, in order to help identify existing site conditions and environmental resources to support analyses, permitting, and design for future maintenance-related activities for the sanitary sewer system in this area. DC Water will also take questions.

#### Presentation on proposed DC Recycling Refund and Litter Reduction Amendment Act ("bottle bill")

Councilmember Brianne Nadeau and staff have taken a lead in supporting the proposed legislation B26-058 which provides for consumers to pay a 10-cent deposit on eligible beverage containers (plastic bottles, glass bottles, or aluminum cans) at the point of purchase and get a refund when they return the containers to a designated recycling center in a store or a reverse vending machine. The bill has been under review by the Council Committee on Business and Economic Development, and next will be referred to the Committee on Transportation and the Environment. Public hearings and public comment period are expected. CM Nadeau or her representative will make a presentation on the bill and take questions from other meeting participants.

#### Application for Medical Cannabis Retailer at 3715 Macomb Street to add Safe Use Treatment Facility

Brittney General will present the application that Top Level LLC (doing business as "Aligned") submitted to the DC Alcoholic Beverage and Cannabis Administration (ABCA) for a Substantial Change to its 2024 license (ABCA-127009) as a Medical Cannabis Retailer. The shop on the second floor above Two Amys is requesting an endorsement to run a "Safe Use Treatment Facility" allowing on-site consumption of edible medical cannabis products. Hours would be the same as for retail sales. ANC 3A plans to vote at the meeting on an official position to file with ABCA on the request. Public comments are invited to [anc3a@anc.dc.gov](mailto:anc3a@anc.dc.gov). Protests or petitions to appear at the ABCA hearing on the application must be submitted to ABCA at [abcalegal@dc.gov](mailto:abcalegal@dc.gov) on or before June 23, 2025. Roll call hearing is July 14; protest hearing is August 13.
