The balance forwarding at the beginning of the quarter was \$45,115.21.

Total receipts for the quarter were \$5,142.59.

And those were receipts that were transferred, so we had a district allotment, our quarterly allotment from OANC of \$3,027.85, interest gain \$39.74, and then our reimbursement for our technical assistance fund for holding hybrid meetings was \$2,075, which gets us to the \$5,142.59, so total funds available during the quarter were \$50,257.80.

Our disbursements were light in Q4 and totaled, \$2,116.34. Most of that was in relation to the \$2,000.75 that we dispersed for, hybrid meeting support, that we paid the vendor, that we were then refunded through the Technical Assistance Fund. The remaining \$41.34 was spent on monthly recurring fees for ANC 4B's MailChimp account.

Our ending balance for Q4, which was at the end of September 2025, was \$48,141.46.
