Single Member District reports

Commissioner Shapiro (6A03) has spent a lot of time inventorying areas of improvement at Sherwood and had a community cleanup in November. There is an ABCA issue raised by another ANC and the Commissioner is working to get clarity on this. The buildings at 1000-1014 H Street continue to be vacant, boarded up and graffitied. DOB has an exception to the vacant/blighted tax status as the buildings are for sale but that is expiring and there is an inspection scheduled for December. There are apparently building plans filed not shared with the ANC, and the Commissioner is seeking an update on the situation.

Commissioner Amber Gove (6A04) noted that any residents interested in the Ward 6 Strategic bike Plan should submit comments online. There were many overflowing public litter cans in the neighborhood last weekend; DPW response has been lacking and the neighbors should continue documenting this issue. The Commissioner attended the Brickie Awards and appreciates all the work that went into the evening. Eastern High School won the DC State SAA Class AA Championship and there will be a holiday bike ride this Saturday starting at Watkins Elementary and ending at the Roost for free hot chocolate.

Commissioner Jeff Giertz (6A06) noticed an abundance of beautiful holiday lights in the neighborhood. The Commissioner reminds residents that DC requires residents to shovel their sidewalks, and volunteers can sign up to shovel neighbors' sidewalks or informally help as well.

Commissioner Kolb (6A07) is finding a solution for a neighbor who has a seemingly vacant neighboring property; the Commissioner is working with DOB and will reach out to MPD.

Commissioner Wethington (6A05) encourages people to come hear DC Water on Monday about the Color the Curb issue. There is still work happening at Kingsman Dog Park. The Commissioner will likely be relocating at the end of January and will continue service to this ANC as long as possible, but January will probably be his last meeting.

Community Comment

Ms. Jen DeMayo from Councilmember Allen’s office shared the success of the 19th annual Brickie awards. Councilmember Allen’s emergency Streateries bill passed, making it less expensive and restrictive to operate a ‘streatery’. The Council also extended juvenile curfews with limits. There was a hearing on expanding rec center hours and opening more DCPS fields for youth sports. Tomorrow morning will be Councilmember Allen’s last office hours of the year at Tango Pastry between 8:30-10:00 AM.

MOCR Noah Glasgow shared two updates: Mayor Bowser’s last day in office will be January 2nd, 2027 and the mayor and State Superintendent of Education are hosting the second weekend of EdFest for pre-k through 8th graders. This is DC’s annual public school fair where community members can hear from all of DC’s public and public charter schools. It will be at 415 Rhode Island Avenue NE from 10AM - 2PM on Saturday. Anyone interested can also register at www.Myschooldc.org. The 2024-2025 DC School Report Card was released and found that the 24/25 school year had the highest reported graduation rate ever in DC at 78.7%, an 18% jump from 15 years ago.

The meeting adjourned at 8:20 PM.

These minutes were prepared by Anna Tsaur and were unanimously approved by ANC6A at its meeting on January 15, 2026 at which a quorum was present, as attested below by:
