DC Agency Announcements

Quentin Floyd (Representative for J.O. Wilson Modernization Project):

- Kitchen equipment is being delivered and installed, inspections finished on 2nd and 3rd floor structure. Painting and floor finishes ongoing on 3rd floor. Recently completed work on permanent power installation, roofing, and wall tiles on 3rd floor. In progress work includes geothermal wells, drywall, etc.
- Commissioner Foxwell inquired about whether more drilling was needed to complete geothermal wells, and whether late night work would conclude given that nighttime work permits were expiring. Mr. Floyd indicated he would follow-up on these questions. =

Shaniah Proctor (Mayor's Office of Community Relations & Services):

- Mayor Bowser invites residents to attend the 2026 emancipation day parade in Franklin Park on April 18. The DC government will be closed that day in observance of the holiday.
- 10th Annual Spring Cleanup, residents invited to participate Saturday April 25.

Jenn DeMayo (Office of CM Charles Allen): Spring budget and policy update.

- The city budget procedure is beginning a few weeks late, Council expected to receive budget mid-April, with budget and oversight hearings occurring throughout the next month. Further updates coming via website and newsletter.
- Pepco is implementing limits on electricity shutoffs for next 90 days, absent significant outstanding debts. If new lower rates are approved as anticipated, it may result in implied past overcharges, and the Council wants to provide relief while Pepco and public service commission redo the rate setting process.
- Commissioner Eckenwiler flagged a request for assistance with DPW Trash Pickup, and Ms. DeMayo planned to follow-up.

Public Comment

No public comments this week.

FOIA Update

Andrew Hayes (ANC6C Secretary):

- The ANC submitted appeals to the Office of the Mayor and MPD regarding deficient responses to its FOIA requests, particularly on the topics of National Guard operations and immigration enforcement.
- Responses to the ANC's appeals are expected by next meeting. Answers are important to inform neighbors of how city is operating, including significant concerns related to recent news reports (e.g., high volume of immigration arrests, including a vast majority without any criminal record or allegation; extension of National Guard presence through end of 2026, potentially through 2029).

Consent Calendar

Transportation and Public Space Committee (Michael Upright, Chair):

1. DDOT, NOI 26-96-TPA, addition of two “No Through Trucks Over 1-1/4 Ton Capacity” signs at the 1200 block of 4th Street NE to notify drivers of existing truck restrictions. Committee voted to recommend ANC approval of the signage.

Alcohol and Cannabis Licensing Committee (Joe McCann, ad hoc interim Chair):

1. The Consortium, 201 Massachusetts Avenue NE, ABRA-130139, request for change of hours of operation and entertainment endorsement. Committee voted to recommend opposing the application to pursue a settlement agreement based on the statutory factors in DC Code 27-762, with a framework to address community member concerns (e.g., quiet on street, staff member on site for all events, operations consistent with other businesses in neighborhood).

Grants Committee (Victoria Lord, Chair):

1. Ludlow-Taylor PTO garden project grant, \$5,114 for materials for garden beds, soil mix. Restriction on ANC funding for certain projects inside schools does not extend to exterior gardens that do not receive school-based funds.
